

[FEBRUARY, 1880.]

PLEASE OBSERVE that the Lord's-day evening meetings, being so generally for preaching the gospel, are not inserted. The initials which stand for Week Meetings signify as follows:—*B*—Brothers' meeting; *G*—Gospel; *L*—Lecture; *O*—Open meeting; *P*—Prayer; *R*—Reading of scripture; *W*—Worship meeting.

In every case where the occupation is given as well as the address of references, it is desirable that it should be included in the directions of letters; for want of this they are sometimes wrongly delivered.
